

Meeting the IFRS 17 deadline

Mitigating the risk for timely assurance

2023

IFRS 17 – Impactful change to financial reporting for Insurers

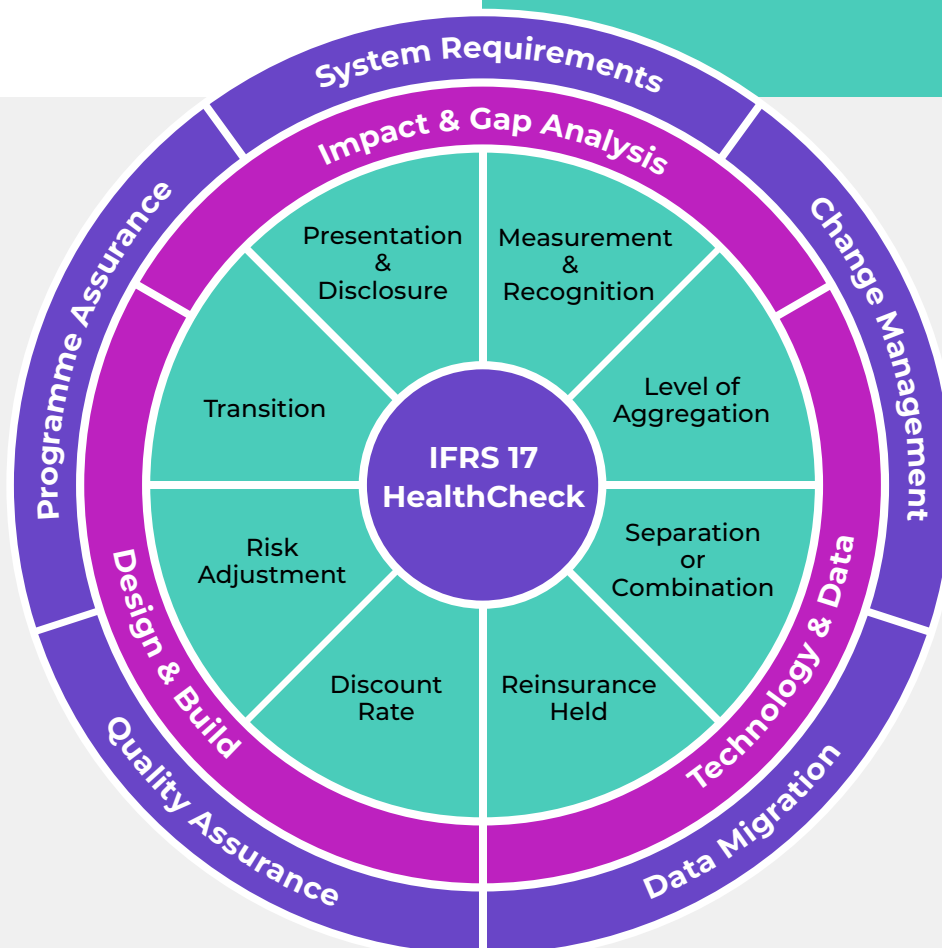

As a trusted partner, Expleo supports Insurance companies in mitigating the risk for timely assurance.

Expleo's IFRS 17 independent HealthCheck

Stakeholders need assurance their IFRS 17 implementation programme is under control and on target.

Our IFRS 17 HealthCheck provides a point-in-time snapshot of your organisation's state of readiness and helps to identify areas for focus and attention.

There is no one size fits all, each entity must interpret for themselves how the standard applies to their circumstances.
