# Crew Rest Unit for B757 freighter

Based on the successful CRU product, Expleo is now offering a dedicated Crew Rest solution for Boeing B757 freighters. This solution is tailored to the existing Cabin Attendant Seat of the B757F in the courier area. It enables the extension of the flight duty period according to CS FTL.1.205 and FAR Part 117 Class 3. The switch between 'Crew Rest' and standard layout is done in minutes.
